CASE NO 7:24cv187

Dotson

Plaintiff prisoner prose Toccara Yvonne  
Puller has filed this action  
And the nature of this action  
is caused by an intracorporate  
conspiracy amongst defendants  
from Judge D. FIORE II in  
Arlington County in Arlington County  
Circuit Court who has placed  
plaintiff in imminent danger  
within the conspiracy to commit

2  
A fatality and plaintiff  
surviving a fatality leaving  
the plaintiff unlawfully incarcerated  
on case 18-88-06 due to  
intra corporate conspiracy and  
plaintiff experiences and encounters  
of physical assaults, discrimination,  
endangerment, privacy & security, sexual  
violations to include an investigation  
from Judge Pierre II and  
admittance of everyone involved  
and son JP 2022 missing & explanation  
from Arlington County Sheriff's.

(3)

Due to the court not wanting  
to err from FIORE direction  
I plaintiff have experienced  
the intentional incarceration  
from D.O.C and Judge FIORE  
with ineffective assistance  
from Administration of Council  
ADAM KROCH in documentary evidence  
to include transcripts from  
multiple hearings, While @ F.C.C.W  
from 11/16/2024 the F.C.C.W  
MAIL ROOM from S. Chambers  
censorship, interception and

(4)

tampering with legal litigation  
incoming mail from Levy, <sup>3</sup> Levy  
and Dept of Justice were  
returned due to the CMDC  
not being addressed which is  
3521 Woods Way  
State Farm, VA 23160,

There was no verification  
of envelope photo copy sent  
as a facility request from  
mail room supervisor or clerks  
and was not responded to  
on a facility level. Once

one I exhausted remedies  
through grievance procedures  
it was not accepted but should  
have been following secondary  
proof of the defendant's violating  
policy and committing a federal  
offense and not providing copies  
of the incoming mail envelope  
to prove defendant's legal theory  
As I have a right to see  
the envelope from return to  
sender correspondence as a  
legal mail verification.

⑥  
Thru # 2 UM Haight a  
defendant in case 7:23cv588  
had legal mail, entrapped  
plaintiff to forward to  
UM Haight to make photocopies  
in her office in her Bld 6  
in effort to meet deadlines  
and discussed a declaratory  
witness statement with the  
witness in case 7:23cv588  
For her denying me copies as  
effort to cause delay and  
avoid sufficient and ample

7  
evidence to be provided to  
prosecute defendants and  
tip the favor for defendants  
by violating plaintiff's rights  
and committing a federal  
offense through UM Haight  
interception, censorship, and  
tampering through this  
experience and UM Haight  
actions. UM Haight is very threatening,  
assaultive disposition, and combative,  
verbally abusive, and negligent  
toward plaintiff to include

degrading and aggressive and  
discriminatory to plaintiff on  
a consistent basis while  
housed in Bld G and  
housed @ F.C. CW in an  
unlawful confinement or incarceration  
for case 18-88-06 due to  
an intracapsule conspiracy  
and I overheard her speaking  
on mental health and danger  
to the community in the  
same topic of Judge Ponder's  
classification of myself

In court proceedings. In his reason for unlawfully confining me and targeting me in a discriminatory fashion and not having any evidence to support his theory. There has also been serial decommitment for personal reasons, manipulation of the system. Due to Judge FIAEBII criminal behavior and violations to include my civil rights and all these ~~causes~~<sup>THP</sup> Federal offenses I've filed this action

10

for the expenses of  
an intimate conspiracy  
with others and everyone  
involved for the mail  
interception that is a  
federal offense in which  
I have ample evidence  
through documents to include  
exhausting grievance procedures  
in which my complaints were  
not accepted on intake to  
have issues beyond my control  
not addressed on a facility level

(11)

As I seek justice for the  
conspiracy to commit irreparable  
harm and in surving the  
irreparable harm from multiple  
predators @ the orders from  
Judge Pierre II, and government  
entities and every one involved.

I've been stalked, spied  
on, prayed upon, tracked and  
even was court ordered to

I live in An Apt 2107 18<sup>th</sup> St NW  
Apt 1048  
Arlington, VA 22201

with an explosive device and

(12)

not only endangering the community  
and myself but my child born  
JP 2022. This is document  
and manipulation of the system  
and the F.C.C.W tampering  
intercepting my mail by  
not forwarding delays the  
legal representation sought  
from legal entities to include  
D.O.J and County 3, County  
and Even forging my signature  
for a JLM on how to file  
a civil suit process. I never

(13)

received the basic but by  
signing names I did.

That's why my concerns  
were unaddressed in a  
facility level and grievance  
procedures to protect the  
interest of F. C. C. W staff  
in a dangerous situation  
I'm seeking the courts to  
prosecute, investigate, and  
address as I am a  
pro se litigant with limited  
knowledge of the law in a

(14)

traumatic situation and still  
wanting to find my son JP (2022),  
He was also sex trafficked  
for a ~~quote~~ of 100 million dollars  
from Arlington County Sheriffs  
who I had to let do some  
things on Sept 2, 2022  
narration hearing of 24 and 7m  
but was sent to Central State  
TDD to treat rape infection  
while in custody under chloroform  
through the secret floors and  
vents compartments and inadequate

(18)

meals with tampering and  
hostage situations to include  
Vietnam Affairs at F.C.C.W  
conspirizing saying take me  
to a farm and leave as a group  
on Jan 24, 2024, ILM  
was on the person I suspect  
involved urging me to a friend  
and get medicated, Birth  
Certificate, Social Security card  
stating that they would have  
to fight me and then loved  
me in which is deadly to

(14)

to me and an unhealthy  
cult or group or organization  
who does not care about  
humanity and uses their  
official and authoritative  
positions to violate privacy,  
security and an intricate  
conspiracy to cause me harm  
and catastrophically long term  
for the public's interest  
in a two folded statement  
as admitted in my transcripts  
obtained by Neal Gross.

(17)

some statements are listed  
as simultaneously speaking  
which avoids direct  
evidence to my claims  
of a miscarriage of justice  
from Judge FIORI II  
admittance and his  
investment and avoidance  
to release me from incarceration  
and the entities involved  
in a corporate conspiracy to  
protect Judge FIORI II  
exposure and criminal activity

18

is A hate crime and  
discrimination and target  
for ADA and class level  
and standards.

I'm seeking and feel  
that this constitutes compensatory  
relief, Injunctive relief  
of protective orders preliminary,  
and permanent to protect  
the safety of myself plaintiff  
and family to include son JP 2022  
due to the sex trafficking with  
in Arlington and Fairfax CPS

(19)

and Dept of social services,  
I'm requesting legal court  
Appointed representation due  
to the complexity and  
seriousness at large and  
withless protection and remuneration  
of my son JP 2022 and  
orders for defendants to  
stop intercepting my mail  
to include legal mail  
and prosecute to the fullest  
extent of the law upon  
the action being granted

in which I claim violated  
my life liberty and child  
protection rights not to  
forget the intentional  
wrongful incarceration  
Therefore this nature  
of action pertaining to  
mail interception to avoid  
legal ethics correspondence  
to protect the interest of  
defendants criminal intracorpate  
conspiracy on a serious level  
of crimes from what I feel

(21)

In my favor as the plaintiff  
And all facts to be considered  
upon the filing of this Action  
and all evidence to support  
the alleged offenses from  
defendants at large in multiple  
cases in 3 district courts.  
And especially in this court  
And I ask the courts to  
consider and prepare for  
an evidentiary hearing and  
trial and move the honorable courts  
to grant summary judgment.

(22)

In favor of plaintiff and

grant compensatory relief

and prayer of relief and

any other relief ordered by

the honorable courts and

Judges. This occurred from 11/14/2022 - current

AS issues.
